

This project has received funding from the *European Union's Horizon 2020 research and innovation programme* under grant agreement No 654.444

OPEN SEA OPERATING EXPERIENCE TO REDUCE WAVE ENERGY COST

Long term cost-reduction up to 50% for wave energy

THROUGH:

- The validation and de-risking of four industrial innovations.
- Delivering open access, high-quality open-sea operating data to the wave energy development community.
